If you have any other comments for future workshops or feedback on this event please complete the box below

<p>Additional comments included:-</p> <p>“a similar event next year to look at progress”</p> <p>“Quite a lot to take in, a lot to think about but interesting for the future”</p> <p>“only problem is that this seems like a very subjective subject in terms of levelling”</p> <p>“The Get Set..Go merited the attention that was given to it. The rest was over long and of limited application. Could have been done in a half-day”</p> <p>“Today’s training was helpful, now have an understanding of SCQF and how to use it”</p>
